My name is Darla Holguin. I am excited to announce my candidacy for a position on the Saguaro View Management Company, Inc.'s Board of Directors. I am looking forward to working with the Board of Directors as well as the current Management Company to continuously make Saguaro View a great place to live.

I am a retired Marine Corps spouse of 30+ years. My husband Mike and I moved to Saguaro View three years ago along with our parrot and 2 small dogs. I have a Bachelor of Science in Business/Accounting and 35 years' experience ranging from high level corporate accounting to bookkeeping and financial counselling. You may have even seen me reading the water meters in the first half of last year. My husband Mike and I have met with several residents of Saguaro View over the past three years and understand the concerns of many of our residents and the issues facing our community. From our roads to the aging water system, our outdated governing documents and the encroachment on our way of life, we are faced with many challenges. There is no better time to come together as a community, understand each other's concerns, recognize challenges, and I look forward to volunteering my time to ensure Saguaro View not only endures, but remains a unique desert rural neighborhood amid all the chaos developing around us.

I promise to listen, be engaged and to advocate on behalf of you, our members, to keep our community the hidden gem that it is. Now is the time for positive change, and I'm confident I can work with our Board of Directors to be a facilitator of that positive change.
